

AFFIDAVIT

I, Evan Kalaher, do under oath depose a state:

Agent Background

1. I am a Special Agent with the Federal Bureau of Investigation ("FBI"). I am currently assigned to the FBI's Rhode Island Safe Streets Gang Task Force (hereinafter, the "Task Force") and investigate violent street gangs and drug/firearms trafficking organizations operating in and around the State of Rhode Island.

2. I have received training in the field of narcotics and firearms enforcement and investigations. I am familiar with the habits, methods, routines, practices and procedures commonly employed by persons engaged in the trafficking of illegal firearms and drugs. I have been the affiant on numerous affidavits in support of search warrants, arrest warrants, and other applications. Through my training, education and experience, I have become familiar with the manner in which illegal narcotics and firearms are transported, stored, and distributed, and with the methods of payment for such items.

Purpose

3. I submit this affidavit in support of an application for search warrants for (1) a maroon 2005 Buick minivan bearing Vehicle Identification Number (VIN) 5GADV33LX5D156896 ("TARGET VEHICLE"), as more particularly described in Attachment A-1, that is currently located on the premises of 19 Beech Street, Pawtucket, Rhode Island, as well as (2) the basement of the premises of 19 Beech Street, Pawtucket, Rhode Island ("TARGET LOCATION"), as more particularly described in Attachment

A-2, to search for evidence of criminal activity of violations of 21 U.S.C. §§ 841(a)(1) & (b)(1)(C) (Possession with intent to distribute controlled substances) (the “Specified Federal Offense”).

4. The facts set forth in the Affidavit are based on my personal observations, my training and experience, information obtained from other agents, officers, witnesses, and records obtained during the course of the investigation. Because this affidavit is being submitted for the limited purpose of showing probable cause for the issuance of the requested arrest warrant and complaint, and search and seizure warrants, I have not included each and every fact known to me and other law enforcement officers involved in this investigation. Rather, I have included only those facts that I believe are necessary to establish probable cause for the issuance of the requested complaint and arrest, search, and seizure warrants.

Summary of Probable Cause

5. On March 1, 2023 members of the Rhode Island Safe Streets Task Force along with members of the Pawtucket Police Department Special Squad executed a search warrant of 19 Beech St, Unit 3, Pawtucket, RI, pursuant to a search warrant issued on February 28, 2023 by Magistrate Judge Patricia A. Sullivan. See 23-SW-58.

6. Subsequent to the search and arrest warrant execution, GARY DORAN a/k/a “G-BABY” was placed under arrest without incident at 24 Walnut Street, Apartment 3, East Providence, RI.

7. Upon entry of the Beech Street location, the residence was cleared and no occupants were encountered. Agents entered the side door up a small driveway that

contained three vehicles. The third vehicle (the TARGET VEHICLE) was identified as a maroon 2005 Buick minivan bearing Vehicle Identification Number (VIN) 5GADV33LX5D156896, and did not have a license plate affixed to it. The VIN number was queried in the Rhode Island Department of Motor Vehicles and identified the owner as A.N. with year of birth of 1971 and an address of Lincoln Avenue in Riverside, RI. A first floor tenant at the Beech Street residence has told Agents that he is the owner of the TARGET VEHICLE.

8. Upon closer inspection of the TARGET VEHICLE and immediate surrounding area, Agents observed fresh footprints in the snow that appeared to walk to and from the vehicle to the door that Agents entered to gain access to the Beech Street residence. Photographs were taken of the footprints prior to any Agents disturbing the area. A law enforcement clear was done to ensure the vehicle was not occupied. While shining a flashlight into the vehicle, a digital scale was observed in plain view resting on the center console of the interior of the vehicle. It appeared that some drug residue was on top of the scale.

9. An American Police K9 Association narcotics certified K9 conducted an area search of the TARGET VEHICLE. During the exterior search, the K9 made a positive indication of the presence of narcotics odor in the vicinity of the vehicle.

10. The TARGET VEHICLE has been secured pending a Search Warrant.

11. Additionally, during the law enforcement clear of the Beech Street residence, there was an open common door that led to the basement (TARGET LOCATION). During the law enforcement clear, there was an open storage located

underneath the basement stairway. That area that contained numerous plastic bags that were left open which enabled Agents to observe the contents. Within the plastic bags, Agents observed baking soda, clear sandwich bags, Food Saver vacuum bags and a box of respirator masks. There were also metal plates protruding through a duffel bag. On top of the duffel bag was what appeared to be a hydraulic jack. Based on my training and experience, the metal plates and hydraulic jack are consistent with a commonly used method to press narcotics into kilogram quantities of drugs. Furthermore, the baking soda and packaging materials are consistent with drug trafficking activities.

12. Two second floor tenants at the Beech Street residence told Agents this morning that they do not use the TARGET LOCATION. They further stated that they have observed a heavy-set male with a beard who drives the black Toyota SUV -- a description Agents know to match that of DORAN -- go down to and use the TARGET LOCATION.

Conclusion

13. Based upon the foregoing, and based upon my training and experience, I submit that there is probable cause to search (1) a maroon 2005 Buick minivan bearing Vehicle Identification Number (VIN) 5GADV33LX5D156896 ("TARGET VEHICLE"), as more particularly described in Attachment A-1, that is currently located on the premises of 19 Beech Street, Pawtucket, Rhode Island, as well as (2) the basement of the premises of 19 Beech Street, Pawtucket, Rhode Island, as more particularly described in Attachment A-2, to search for evidence, more particularly described in Attachment B, of

criminal activity of violations of 21 U.S.C. §§ 841(a)(1) & (b)(1)(C) (possession with intent to distribute controlled substances) (the “Specified Federal Offense”).

14. I, Evan Kalaher, having signed this Affidavit under oath as to all assertions and allegations contained herein, state that its contents are true and correct to the best of my knowledge, information and belief.

Respectfully submitted,
